## THE DANCEONE SUMMIT APP

The DanceOne Summit APP will be used mainly by attendees creating their individual schedules, answering daily questions to learn more about the event, highlighting our sponsors through pop-up ads, and being able to connect post event through videos as well as reconnecting with instructors and exhibitors. Every attendee will have their own QR code. If they have not entered details about themselves for the QR code, it will scan and come up blank. As a vendor, you will have the ability to scan their QR code to collect information if they have entered and are open to sharing. We encourage you to participate in the attendee activities above to collect more accurate data.

Each vendor will have the ability to create their own profile in the APP. Be sure to include your logo, description, and contact information so attendees can reach out. This is a great place to include your link for making an appointment. You will receive a separate email if you do not have a current profile from 2025.

## BOOTH SECURITY

For your convenience and safety, we have security onsite throughout the event. We will be controlling traffic to and from the workshop rooms before and after booth hours.

Please note: Although security services will be provided throughout the event. DanceOne and the New York Hilton Midtown will not be responsible for loss, theft, or damage of any kind. We suggest that you remove any cash or valuables at the end of each day.

## BOOTH BREAK DOWN & LOAD OUT

No packing or dismantling of exhibits will be allowed until the official closing of the Exhibit Hall at 5:00 PM on August 15th. We will begin returning empty containers at the close of the show. It may take up to an hour to return all containers, so please be patient and plan travel accordingly. This is a prime time for theft; exhibitors are urged to pack their materials expeditiously and to make all necessary arrangements for the disposition of their outgoing freight before leaving the Exhibit Hall. For shipping instructions, please refer to the **SHIPPING** from section in this packet on **PAGES 2-4**.

The Exhibitor Service Desk and Century Service Desk will be open during this time to assist with load-out, freight, and to answer any questions.

Please note it is the responsibility of the exhibitors to pay all applicable license fees and taxes associated with such sales.

## EXHIBITOR COMPS

- We ask that you only pass along this offer to teachers or assistant teachers who are 16 and older.

If you have different models coming in during different hours or days, that is great, and we will accommodate accordingly. We do not allow usage of storage spaces for changing as the curtains are see through.
